

AC TO DC CONVERTER

T24AC/DC/CG FEATURES

- Regulated DC supply
- Power on LED
- Fused output
- DIN Rail mounting

The Titan Products AC to DC converter is a low cost DIN rail mounted power supply to provide a regulated 24 Volt DC supply from 24 Volt AC input, for use with common ground applications.

SPECIFICATION

Input:	24V AC
Output:	24V DC
Power Output:	0.5amp Common Ground
LED Indication:	Power On LED
Operating Temperature:	-10 to 40°C
Terminals:	1.0mm recommended 2.5mm max
Dimensions:	80mm high, 45mm wide, 50mm deep
Country of Origin:	UK
Product Code:	T24AC/DC/CG
